

School District of Somerset

—

Wisconsin Student Assessment System
2015-16 Performance

WSAS Background

- The Wisconsin Student Assessment System (WSAS) is a comprehensive statewide assessment program designed to provide information about our students' college and career readiness.
- The assessments measure what students know in core academic areas and whether they can apply what they know.

WSAS Background

- WSAS results guide us in school improvement planning, identifying
 - where we need to focus and improve
 - where we can celebrate the growth and achievement of our students.
- WSAS results are also reported in proficiency categories and used for accountability determinations at the school, district and state levels, as the WSAS is required by state and federal laws.

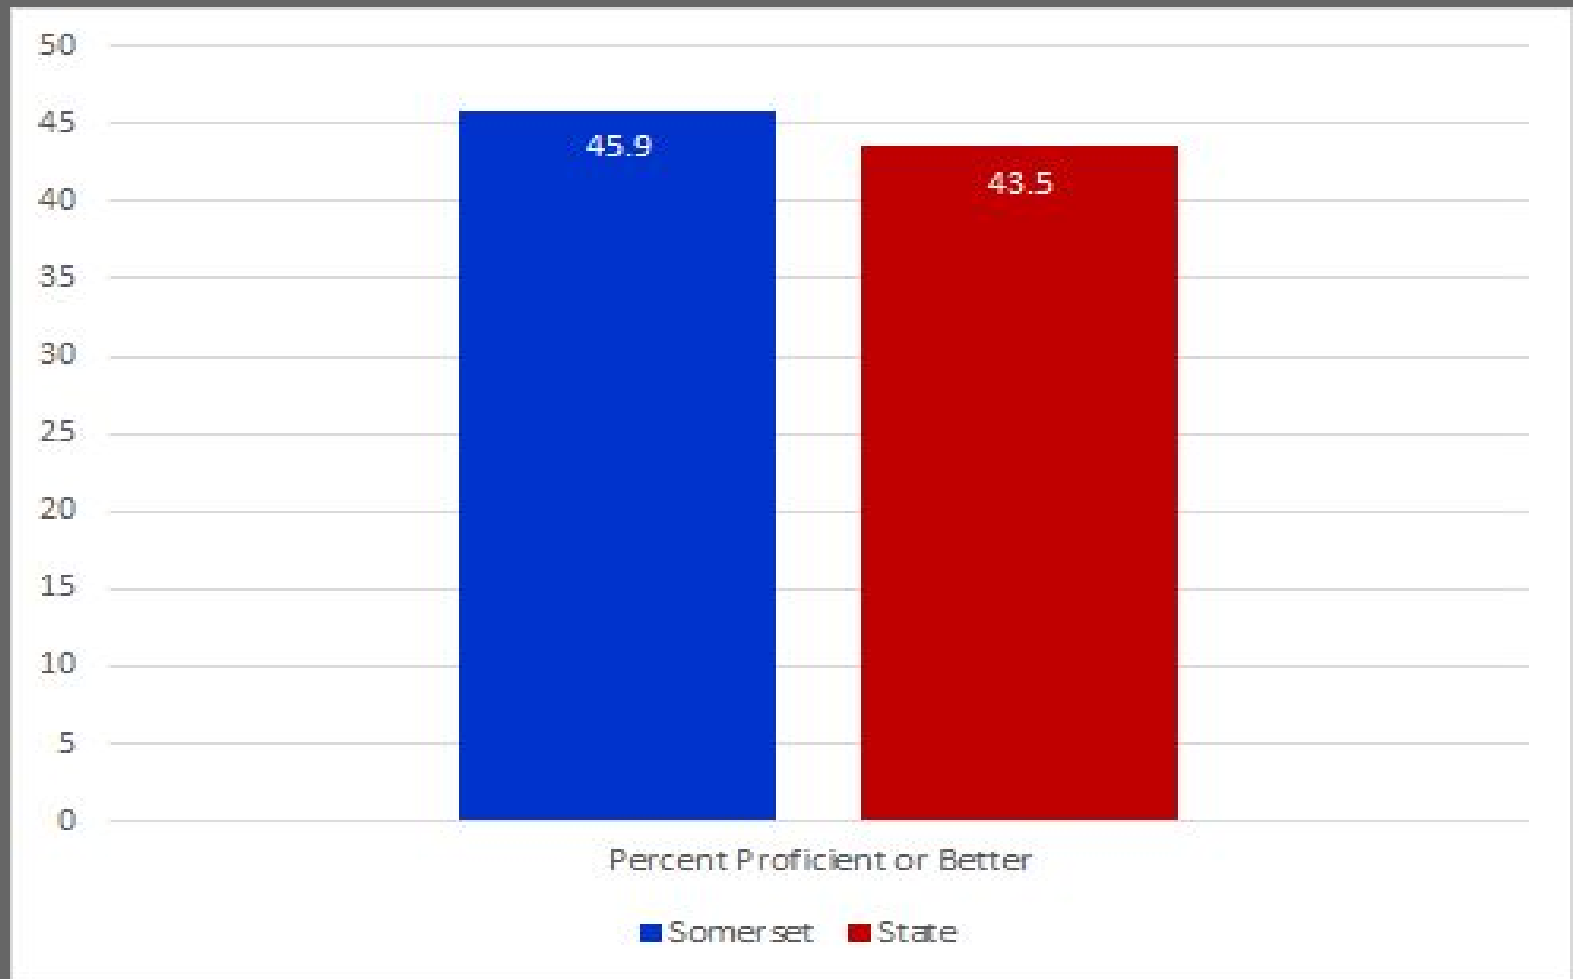

WSAS Overview

- In 2015-16, the WSAS included:
 - ***The Forward Exam***
 - Grades 3-8 covering ELA and mathematics
 - Grades 4 and 8 in Science, and 4, 8, and 10 in Social Studies
 - **Dynamic Learning Maps (1%)**
 - Grades 3-11 covering ELA and mathematics
 - Grades 4 and 8 - 11 in Science
 - Grades 4, 8, and 10 in Social Studies
 - **The ACT Suite (HS)**
 - ACT Aspire in Grades 9 and 10
 - The ACT + Writing in Grades 11 covering reading, English, math, science and writing
 - ACT WorkKeys in Grade 11

Predicted ACT Score 22.3

Next Steps

Celebrate

- Gains in math achievement at the elementary.
- Students with disabilities scoring proficient or better at the elementary exceeded the state average by over 11%.
- Students in grade 6 and 7 tested above state average in every tested topic area for both ELA and mathematics.
- Class of 2016 exceeded state average in ACT English, Reading and Science.
- Current work and achievement of our 9th and 10th grade students.

Next Steps

Focused Work

- Determining essential standards and essential learning for all students.
- Aligning high quality assessments to essential standards.
- Analyzing assessment data to provide intervention and enrichment as well as determine successful instructional practices.
