

Mission Statement

Working within the school’s educational plan, it is the **Comprehensive School Counseling Program’s K-12 mission** to provide learning experiences and activities within the areas of academics, career, and personal/social development which will create a solid foundation for motivated, educated and responsible citizens of the future

Somerset School District Mission Statement

The School District of Somerset is committed to developing motivated, educated and responsible citizens who are prepared to successfully adapt to the changing global environment

Confidentiality

All issues discussed in the guidance office are confidential unless:
1. You are planning to harm yourself or others
2. You are the victim of abuse

If one of these are true we are required by law to report to the proper authorities.

Nondiscrimination Policy

The Somerset School District is committed to a policy of nondiscrimination on the basis of race, religion, sex or sexual orientation, age, national origin, handicap, ancestry, color, disability or any other reason provided for by state or federal law.

*Wisconsin Model
Academic Standards for School Counseling*

Academic Development Domain

Standard A: Students will acquire the attitudes, knowledge, and skills that contribute to successful learning in school and across the life span.
Standard B: Students will develop the academic skills and attitudes necessary to make effective transitions from elementary to middle school, from middle school to high school, and from high school to a wide range of postsecondary options.
Standard C: Students will understand how their academic experiences prepare them to be successful in the world of work, in their interpersonal relationships, and in the community.

Personal/Social Development Domain

Standard D: Students will acquire the knowledge, attitudes, and interpersonal skills to understand themselves and appreciate the diverse backgrounds and experiences of others
Standard E: Students will demonstrate effective decision-making, problem-solving, and goal-setting skills.
Standard F: Students will understand and use safety and wellness skills.

Career Development Domain

Standard G: Students will acquire the self-knowledge necessary to make informed career decisions.
Standard H: Students will understand the relationship between educational achievement and career development.
Standard I: Students will employ career management strategies to achieve future career success and satisfaction.
