RE: Employee Injury - Return to Work

The School District of Somerset provides alternate duty work to its employees who become injured. We strive to return injured employees to work as soon as they are medically able, and within their medical restrictions, with the goal of helping them heal and return to their regular jobs.

Current positions can be modified to accommodate the medical limitations of injured employees by altering specific tasks, reducing work hours or modifying workstations and equipment.

If medical restrictions are appropriate for the employee you are treating, please take a moment and fill out the attached Physician's Return to Work form which is attached. If you have any questions, please contact Rochelle Lindquist, HR Advisor in the District Business Office at (715) 247-3313 ext. 506. Thank you for working with us to help our employees return to work.

Sincerely,
