Summer School 2019

June 13 – July 26

Closed July 4th-5th

Summer School 2019

All regular summer school classes take place at the Middle School

- The Summer School office is located again this year at the Middle School.
- Day Camp (Grades JK-4), Adventure Camp, Garden to Give, and STEMfinity and Beyond will be held at the Elementary School.
- High School courses and camps take place at the high school.
- If you have questions while summer school is in session, please call the Middle School at 247-4848, ext. 301 (before summer school starts e-mail ksiskow@somerset.k12.wi.us or kpapin@somerset.k12.wi.us)

Student and Parent Information

We offer a sincere welcome to the Somerset School District's "SUMMER SCHOOL 2019". To make your summer a productive educational experience, you may look to "Summer School" to provide lots of options for your enrichment, enjoyment, recreation, and improvement; you will find that there is truly something for everyone!

Registration

We are pleased to announce that registration will, again, be ONLINE this year! The computer lab at the middle school will be open from 5 p.m. to 8 p.m. on Tuesday, April 30 and Kristin Siskow and Kristin Papin can accommodate meeting last minute for registration on Wednesday, May 1 at the high school. Staff will be available on Tuesday to help anyone that has questions or that does not feel comfortable completing registration on their own at home.

IMPORTANT: Parents who need to pay by check/cash will need to come to the middle school between 5 p.m. and 8 p.m. on April 30 for assistance – online registration checkout is by credit card only.

Things to know about registration:

- **Registration worksheets** are in the back of the booklet (**these are not registration forms**). Please use the worksheets to organize class choices (and alternate choices) for each hour of the day for each week – **this is a useful tool during online registration.**
- Class sizes are limited and will fill on a first come, first served basis – some classes fill up quickly – preparing ahead of time is helpful. ***This year you will be put on a wait list for your first choice and an email will be sent asking you to sign up for another class. To reduce the frustrations from last year, you will be able to go in and JUST register for the one extra course. A staff member will contact you if your first choice becomes available.***
- The grade requirement for registration is for the ***grade just completed.***
- Please look for age-appropriate classes. If parents have problems finding appropriate classes to fill all four hours due to age/grade limitations, special arrangements may be considered – please visit with a staff member during registration hours at the middle school.
- Registration for Day Camp (Grades JK-4) are included in the online registration process – **please note:** space is limited.
- The Summer Reading Program (AR), Summer Math (AM), and M.S. Summer Learning Academy are included in the online registration process.
- Beginning Band Camp students will need to register online for the pre-approved instrumental section designated by Dawn Tunison, MS Band Instructor.
- Adventure Camp is by teacher invitation.
 - Adventure Camp – Jane Gilson, 247-3311 ext. 717

Student and Parent Information

Summer School Age Care Program

Please visit the [School Age Care webpage](#) on the District website for information and to sign up for summer attendance. Registration will coincide with registration for summer school classes, beginning April 30th.

Attendance

Except for emergencies, or permission from the office, students are expected to attend all classes. If you have planned a family vacation during summer school, please contact the office for special arrangements. Students will not be allowed to walk downtown or visit friends in town if they are registered for classes. Students are expected to stay at school unless special arrangements have been made through the office.

Conduct and Dress

Students are expected to follow the same standard of dress and conduct that are in effect during the regular school year. Students persisting in improper conduct will be removed from the summer school program, and no refunds will be given.

Transportation

Transportation is available for students enrolled in summer school; however, bus routes are limited. Parents fill out transportation information as part of the registration process. During summer school, elementary and middle school doors open at 7:50 a.m.

- **Parents: please use ONLY the rear entrance at the middle school for student drop-off and pick-up.**

Student Fees

If any parent would like to send their child(ren) to summer school and is unable to do so due to financial difficulties, please contact Kristin Siskow or Kristin Papin at ksiskow@soemrset.k12.wi.us or kpapin@somerset.k12.wi.us

High School Offerings

Health Education

Grade 8-11

Credit-Bearing
(.5 credit)

Health is a required course where you will be introduced to many topics and issues that are directly related to you as a student. This class is designed to help you develop lifelong skills that will enhance your overall health and wellness as well as promote healthy lifestyle activities and decision making to protect your wellness and prevent disease or injury due to poor lifestyle choices. We will be covering issues that are associated with your character development, personal/emotional/social health, nutrition, addictions, diseases/cancer, first aid and finally human growth and development. It is expected that you complete the online course material and come to class prepared to actively participate when we meet once a week in class. Health is a required graduation credit class which means it is imperative to be fully prepared, engaged, and active online and during our class meetings. We will move fast but we will cover in-depth many topics that are directly related to developing adolescent youth. I look forward to getting to know all of you more and working with each of you in the coming weeks! Please feel free to contact me at any time if you have any questions, comments, or concerns. We do not have an assigned textbook for this course so materials and assignments will be provided for you on google classroom. Students will receive .5 credit if they earn a passing grade. Grade will appear on transcript.

For students grade 8 (going into 9th) - 12.

Instructor: Alison Igou

Students will meet with Ms. Igou periodically. 1 session will meet before the end on the 2018/19 school year.
