## Questions and Answers

You are entering Mr. Barron's world- welcome!! I hope you enjoy your experiences ☺

This is an elective class; I hope you really want to be here. Usually the classes have **too** many students so if you don't want to be here, **PLEASE** change your schedule. My feelings will not be hurt.

You will need your own pair of SAFETY GLASSES. They will need to have your last name on them. Mr. Barron will NOT **provide safety glasses to you**. You will be asked to leave the shop if you are not wearing proper safety glasses when production or lab activities are happening.

You will need a folder with writing paper or notebook, a pencil or pen available to you at all times. This class is your (JOB) bring all the tools necessary to complete the job.

Mr. Barron's goal is to help you learn things about yourself, working as a team member, develop specific skills, and industrial technology. Maybe some ideas will also be developed of what you want to do for a job or a career.

You are responsible for your own learning.

The class is responsible for cleaning up the shop at the end of the production time.

Regardless of what becomes of you or what happens to you- never forget your past!

Tomorrow will arrive---- be prepared for it, or you will just have to accept what happens.

You get one shot at most things; make sure of what you are aiming at!

Mr. Barron is here to serve you-----

Have fun---- but at the right time and place and never jeopardizing ----SAFETY----

Learning is not always dull and boring!!!!!! It can be fun and exciting!!!!!!

Sometimes you have to get along to Get Along!!!!!!

Your opinion is valuable,,,,,,,,,,,,, but not the only one!!!!!!!!!!!!!!

You will be able to exist in Mr. Barron's world,,,,,,,,,,,,, but we may have to work at it-----

\*Things worth having are worth working for.

Knowledge is power - if you are going to put forth the effort, do it to the best of your abilities the 1st time.

Be your own person - you are the only one that has to live with yourself, ----- forever.

\*\*\*\*\*You should never wonder-----why? Or not have a reason for things that happen

In Tech Ed. with Mr. Barron. You may not like the answer, but there is always a reason for the process and activities that goes on in Mr. Barron's shop. \*\*\*\*\*
