Parent / Guardian GOALS for there Student:

Thanks for helping me with Goal setting for your child. I believe that it is very important for students to have goals for a course that they are taking, just as we all must have goals for everyday life. On the front side of this sheet your child has listed his or her goals for themselves. Now I ask your help with your goals for your student. Please discuss their goals and how you can help them achieve what they want to achieve.

What goals would you like to see your child obtain in this course he or she is taking at Somerset High School with Mr. Barron?

How can Mr. Barron help your child reach both their goals and your goals that have been set?

Mr. Barron's goal for each and every student is to achieve QUALITY & SUCCESS

If it would help in goal achievement, Please send along your contact information so if needed Mr. Barron can get in touch with you... either by phone or e mail.
